D8.2 Project Web Site

Website POWER2DM

The POWER2DM consortium booked three websites at <https://www.instra.com>:

www.power2dm.com

www.power2dm.eu

www.power2dm.org

The POWER2DM consortium will use

<http://www.power2dm.eu/>

The website has 4 areas:

- Home
- Project
- Partners
- Deliverables

The Home area contains basic general background information on the project (See figure 1) as well as links to social media (Facebook, Twitter, Instagram)

The Project area contains essential information on the content of the project.

The Partners area contains the partner descriptions from the DoW

The Deliverables area will hold all the public deliverables of POWER2DM, along with the Project Presentation.

The Deliverables are will be regularly updated.

In the second project year the website will be expanded by adding a calendar, a page with publications, possibility to contact the coordinator and a functionality for asking questions.
